

## Day-of Event Insurance

**Hi there! Congrats on your event! We make purchasing event insurance quick, easy, and without any guesswork for you. 100% of the time, your policy meets venue requirements, every time. Simple. Done.**

### **Why do I need a day-of policy?**

Event Liability Insurance can protect you in case there is a claim for bodily injury or property damage at your event. Without this insurance, this claim could otherwise cause you or your business a huge financial hardship. If a guest slips and falls while attending your event, they likely won't hesitate to put the financial responsibility on you. Without a day-of policy, you could have to pay their medical expenses out of your own pocket. It also protects you from issues of alcohol liability, in the event someone is overserved.

### **What is the purpose of a day-of policy?**

To protect you and your guests as well as meet the requirements in the rental agreement of the venue. The venue is doing their client a huge favor by requiring this type of protection. Event Liability Insurance is intended to protect the event holder (venue renter) from having to pay out of their own pocket for most claims of injury or property damage due to their event.

# How to Purchase and Common Questions

1

### We're reaching out to you first.

Within 24 hours of booking, you should receive a text from a member of our team. Once you receive that text, expect an email with your purchase link in it within another 24 hours. If you don't receive it, please text us at 1.833.455.4103.

2

### We need some minor details.

Enter the information and pick the type of event you're having. TIP: If you're having a rehearsal or any other festivities at the venue, select 2 (or 3 or 4) days and enter the all of the dates on the "Date" screen. There's no charge for additional days.

3

### Enter Your Dates of Coverage Needed

TIP: Don't forget about the rehearsal or the brunch for the following day! Enter those dates, along with your wedding date.

4

### Cancellation or Postponement

If you'd like coverage for cancellation or postponement, this is where you'd add that coverage. Keep in mind, COVID-19 or "change of heart" aren't covered losses. We'll review the exclusions later on as well. You can buy coverage in increments to protect your wedding as needed.

## Q: What Types of Things are Covered or Excluded here?

If something totally unexpected & out of your control comes up requiring you to cancel or postpone your wedding, a wedding cancellation policy can cover non-refundable expenses. If the wedding or reception must be cancelled or postponed due to circumstances completely out of your control (cold feet or change of heart doesn't count), you could be reimbursed for nonrefundable expenses. These could include deposits to the caterer, entertainment, venue, flowers, photographer or even honeymoon arrangements.

Examples of claim reasons include:

- Military deployment of one of the honorees to a base more than 150 miles away.
- The venue has a sewage leak and is not safe for guests.
- Weather conditions so extreme as to prevent any way for immediate family to reach the event location.

5

## No Coverage for Amusement Devices

Inflatables, water activities, and cannabis-related activities aren't something our partner can provide coverage for. If you've had previous claims for event insurance, you may not be eligible either.

6

## Enter Your Information

Enter couple information in this section. Put the first name in the first section and the second name (your spouse) in the second section (Your Business Name). This will provide coverage for both of you individually and/or parents, if they're serving as hosts of the fun.

7

## Make certain to pick the right Venue

Your party spot should already be selected and included in the application. If it isn't please send us an email at [hello@nuptialrisk.com](mailto:hello@nuptialrisk.com). We'll respond in a jiffy!

8

## Application and E-Signature

This is all of the legal "mumbo jumbo". Terms and conditions and that you aren't having one of the "EXCLUDED EVENT TYPES OR SERVICES" and that you also understand that injuries to performers or volunteers aren't covered.

9

## Enter Your Payment Info

Once you enter your information here and clicked "SUBMIT", you're all set. You'll receive a copy of your policy, the venue will receive a certificate, and so will your event planner. SWEET!

## After you're finished...

### Do I need to do anything else?

Not at all! Once you complete the purchase, your policy is sent automatically to your venue. Once you enter your payment info and click "Submit", you're set!

### What if I change my date or cancel my event?

Please email [hello@nuptialrisk.com](mailto:hello@nuptialrisk.com) and let us know your old date and new date, or if you've canceled for any reason, we'll ask that the policy be canceled and refunded to the card on file.
